**Physical Challenge Course** Grade K+
One of our most popular activities, the physical challenge course, challenges your team to complete your physical objective before time runs out. Using strategic locations throughout camp, the team must stay organized and focused on the goal to complete all the objectives. Think you can run around the pond 3 times, do 600 push-ups, and build a 4 level pyramid? Maybe not by yourself, but if your team works together, you bet you can find a way to get everything accomplished before time runs out! Approx. 15-20 people per hour. (Multiple groups can run simultaneously.)

**LIST PRICE:** $84/hr.  **ADVANCE PLANNER DISCOUNT:** $63/hr.

**Field Games** Grades K-5th
