Zipline Maximum Weight — 280 lbs.
Maximum weight applies to individuals or tandem combined weight.
Individuals over 250 lbs. should be in good physical condition to participate.
Participants will weigh in at the start of the course.

Zipline Tandem Rides
If the rider is under 80 lbs., for the Aerial Excursion or under 60 lbs. for the Challenge Adventure, they may need to ride tandem with a guide or other patron on certain lines, at the tour guide’s discretion.

Important Details
- If an adult is required to participate, per the child grid, the adult to child ratio is 1:3 for each event.
- Arrive at least 15 minutes prior to the scheduled start time to sign release forms & meet your guides.
- Tie back hair and remove dangling jewelry.
- Participants must be capable of climbing stairs without difficulty, and standing/walking on uneven terrain without assistance.
- Tours are “Rain or Shine” but do not run in high wind, thunder or lightning, or steady downpours.
- No sandals or flip-flops are permitted.
- You may be wearing a full body harness, and you don’t want the straps of the harness rubbing against the skin. Therefore, it is recommended that short pants go at least mid-thigh and shirts have at least short sleeves.
- Full Payment is due at time of reservation. In cases of inclement weather that affects the comfort and/or safety of the tour (high winds, lightning, heavy downpour, below freezing temperatures), customers will have the option to re-schedule or receive full store credit/refund. Schedule changes or cancellations for any other reason are eligible for a full store credit/refund if made at least 48 hours in advance of scheduled tour date/time. No refunds or schedule changes are allowed within 48 hours of the event, except in cases of inclement weather.
