

Dear Friends,

March 2018

The January thaw was just what we needed to start thinking about the summer. Are you ready for summer too? If a summer pool membership is again in your plans, here are the details.

Enclosed you will find a brochure for the 2018 Season Pool Memberships at Refreshing Mountain. Last year there were quite a number of changes, but this year we will look to maintain and perfect a few of those changes.

- The new kids water play area proved to be quite the shocking experience. While some kids enjoyed that, it was not what we had in mind. We worked with PP&L to find the stray voltage (shocking, but not dangerous amperage). Everything seems to set to go so kids will be able to float boats, build dams, and do other fun hands on activities.
- Areas are designated for swimmers and nonswimmers and also to show where food is allowed.
- Parking for the pool is in Parking Lot B, beside the Dining Hall. There are a few ADA spaces near the pool/store entrance. Follow the blue painted swimmer icons to follow the pathway from the parking lot to the pool area.
- The bathrooms that were built under the enlarged office deck are level with the pool and new pavilion area making a much more accessible option.
- The showers that had been in the bathrooms behind the office are no longer an option, but there are 4 coin operated showers below the 319 Café deck.
- The 319 Café homemade paninis were a huge hit! Look for even more options this summer!

Along with the new improvements, we are keeping the things we know you enjoy most about your pool membership:

- **50% DISCOUNT ON DAY GUEST PASSES.** Everyone has seemed to enjoy these coupons the past couple years, so they are being included again, along with some other great coupons, as a thank you from us for your membership.
- **Discount coupon for the NEW Epic 22.** This exciting new elevated obstacle course is built underneath the Challenge Adventure Course zip line course and has 22 obstacles for you to try.
- **A few other** benefits of pool membership at Refreshing Mountain.
 - Bring Guests for FREE to all of the LATE NIGHT SWIMS (one guest free for each attending member).
 - Add-on a Grandparent for \$25 for the full season (per grandparent).
 - Modest Swimsuit policy. We are very intentional about promoting a family-friendly atmosphere onsite, which includes no smoking around the pool area, no foul language, and modest bathing suits for guests.
 - Early Bird Discount for family membership is over April 30, 2018.

We hope that you will join us for a safe and enjoyable season.

Sincerely,

Don Bomberger
Director of Operations
